

The image contains three architectural drawings of a staircase:

- WIDOK Z BOKU (Left):** A side elevation of the staircase. It shows a concrete base at ± 0.00 and a staircase structure with a top landing at $+1.46$ and a lower landing at $+0.51$.
- PRZEKRÓJ A-A (Center):** A cross-section of the staircase. It shows a concrete base at ± 0.00 and a staircase structure with a top landing at $+1.46$ and a lower landing at $+0.51$. The drawing includes detailed dimensions for the concrete structure, including a total width of 110, a total height of 110, and various offsets and thicknesses (e.g., 16, 15, 15.20, 11.5, 75, 15, 82, 15.16, 15, 11.5).
- WIDOK Z BOKU (Right):** Another side elevation of the staircase, showing a concrete base at ± 0.00 and a staircase structure with a top landing at $+0.90$ and a lower landing at ± 0.00 .
